Larry S. had a quad bypass surgery after his recent heart attack. He called to tell us he is doing well, and is living at the VA center, while he recovers.

**Note:** Don D., will be in Vancouver BC Canada for the IAGSDC convention. I'm getting together with over 1,014 friends to square dance. Life is short. Enjoy!

## What have YOU missed?!?

The past few months several of us traveled to Chicago a couple times, to dance with the **Chi-Town Squares**. Our club members, as a group, went out to eat and then attended the Valentine Dance in Feb. Others of us attended the St. Pat's Day Dance.

Some of our members went to the **Cancer Benefit Square Dance** in Sussex WI. It was a good way to meet people from the straight clubs in the area and to help a good cause.

**Steve P.**, from Madison came to dance with us and called some contra for us at one of our dances. He called **contra, as a fund raiser** for First Unitarian Society in Milwaukee; several of us attended to support him, and to just have some more fun dancing.

**Laura S.** encouraged us to come on out for the **Shoreline & Dairyland Cowgirls & Cowboys** western dancing. While the weather stopped a square, from our club, from attending a Madison trip in March. Robin did some square dance teach tips at the dance there.

**Robin A.** arrived from Capital City Squares CA in January. She is planning to start a IAGSDC club, called the **MadCap Squares**, this fall. Check out her web site, and tell your friends in that part of the state about it.

### Up coming:

Some of us intend to attend the **April 7th (Sat.)** Shoreline dance at Fannies, in Milwaukee. Dairyland Cowgirls & Cowboys Dance, at the Sapphire in Madison, is the same day!

We may try and get a square together for the Dairyland Cowgirls & Cowboys Dance, **April 20th (Fri.)**.

\*\*\*\*\*

**Attend our dances** and share ideas on how our club can better serve you.

Events just sneak up on us and our **newsletter** isn't a daily. Those that want to get an email reminder give Don your **email address** to keep up on what is happening. Do we want information, on more than our club, on the **club website**?

**Get out there and make new friends!** Bring them to our dances, so we get new people into our fall classes & club. It isn't work, but **fun recruiting dancers**.
