Developing big lives, better lives, healthy lives
for lesbian, gay, bisexual, transgender people.

Diverse & Resilient

Diverse & Resilient

For 10 years, Diverse & Resilient has been fostering the development of lesbian, gay, bisexual and transgendered people in Wisconsin by increasing the capacity of communities to take action. During this time, LGBT communities have increased leadership potential and creativity empowering people to live bigger & healthier lives.

Come join us in celebrating these accomplishments of the past and the aspirations for the future.
